Evans Memorial Camp

A regeneration program
for men overcoming drug
and alcohol addiction.

Healing

Freedom

Hope

Mission

Evans Memorial Camp provides a place for men and families to come and know their Lord and Savior, Jesus Christ. Our vision is to bring healing to the fatherless and restore families, by breaking the chains of addiction, and equipping them with the personal tools to build character. There are five phases within the program, orientation, induction, regeneration, inner healing and discipleship. Servant Leadership Training or Phase Two are an option after graduating the ten month program.

Regeneration & Family Reconciliation

Evans Memorial Camp is a Christ centered regeneration program. This city of refuge has an objective to instill worth, integrity, and purpose into each man. Our goal is to give men the opportunity to reach their full potential. EMC is a ten month commitment for men eighteen years and older.

Small groups, class, counseling, journaling and physical labor are all major aspects of Evans Memorial Camp. Each of these aspects are met with the presence of God.

We know that your partnership is vital to making this possible. Evans Memorial Camp is a non-profit 501C-3 Christian organization and operates through the financial gifts and acts of service from foundations, churches, individuals, and corporations. All financial gifts are tax deductible and enable us to help men find freedom in a new life filled with hope.

And provide for those who grieve in Zion—to bestow on them a crown of beauty instead of ashes, the oil of joy instead of mourning, and a garment of praise instead of a spirit of despair. They will be called oaks of righteousness, a planting of the LORD for the display of His splendor.
Isaiah 61:3
